

AUTOMOTIVE TECHNOLOGIES

This program is certified by ASE (Automotive Service Excellence) and supervised by the NATEF (National Automotive Technicians Education Foundation). The Automotive Technology Program meets all NATEF requirements for tasks, tools, equipment, hours, and instructor qualifications; and both instructors are ASE certified. We participate in the AYES apprenticeship program, sponsored by The Automotive Youth Educational Systems.

Curriculum highlights:

- Basic electrical and auto service
- Brake system
- Engine repair
- Fuel systems
- Heating and air-conditioning
- Lubrication/cooling systems
- Steering, suspension and wheel alignment
- Wheel alignment
- Advanced electrical/computer diagnostics

Career Center advantages:

- AYES Apprenticeship
- Learn teamwork and leadership skills
- Job placement opportunities in senior year
- Field trips to Honda and area dealerships
- College visits
- Guest speakers who share real-life experiences in business and industry
- Competitive events in SkillsUSA club
- Columbus Auto Dealership Association Contest
- Ford/AAA Contests

POTENTIAL EARNINGS:*

- Automotive Service Technician: \$11.31–\$26.22 per hour.
- Master Technician: \$70,000–\$100,000 annually

*Occupational Outlook Handbook, U.S. Department of Labor, Bureau of Labor Statistics, 2006-07
