

Summer Camps

Camps will conclude on the third day with a special program/ luncheon for parents.

For 6th, 7th, 8th and 9th graders
Lunch and snacks will be provided daily.

Medical and Dental Camp

Cost: Free South Campus
June 10-12 - 8:30 a.m. to 2:30 p.m.

Campers will learn about exciting career opportunities available in today's and tomorrow's health care professions. Students will meet medical and dental professionals, take a field trip, get first aid training and learn team building skills while they create a career project. **Limited to 32 campers.**

Auto Tech Prep Camp

Cost: Free North Campus
June 24-26 - 9:00 a.m. to 3:00 p.m.

Campers will learn about exciting career opportunities available in today's and tomorrow's automotive industry. They will work in teams to complete a project about automotive systems, and use the tools and equipment in the lab. **Limited to 20 campers.**

Cost: Free South Campus
June 10-12 - 8:30 a.m. to 2:30 p.m.

SOHO Design Project

Small Office/Home Office

Students interested in architecture, IT, graphic and web design, Cisco networking and project management will love this camp! Campers learn teamwork and communication skills as they design a home office in teams of four. Each student will experience a specific job as an Architect, IT Network Specialist, Graphic and Web Designer or Project Manager. Students will use the following computer software: AutoCAD 2008, Adobe Creative Suite 3, Access, Power Point, Cisco Networking Tools and Academy Design to complete their projects. **Limited to 32 campers.**

Digital Storytelling and Animation Camp

Cost: \$75 North Campus
June 10-12 - 8:30 a.m. to 2:30 p.m.

Students will use their creativity to tell an animated digital story or design an interactive game with the Alice programming language. The Alice programming language introduces object-oriented programming concepts through the use of graphical 3-D objects in virtual worlds. Carnegie Mellon University professors developed the software. **Limited to 25 campers.**
