

Career Based Intervention 9th and 10th Grade

Students learn employability skills and model them by working within various areas of the school. The classwork exposes students to careers and opportunities here at DACC and beyond. The skills learned in the Career Based Intervention (CBI) program help to prepare students to enter the workforce, military, or pursue higher education.

Curriculum Highlights:

Opportunities for success are provided in a supportive environment. Utilizing 21st century skills, students experience a variety of career exploration experiences through:

- Multiple applications of technology
- Classroom discussions
- Hands-on projects
- Guest speakers
- Work experience

Areas of study include:

- Life and Study Skills
- Potential Careers
- What employers are looking for
- Resume Writing
- Financial Literacy and Basic Economics
- Verbal and Non-verbal Communication Skills
- Making a Career Plan
- Lifestyles
- Public Speaking
- Keeping a Job
- Applying for a Job
- Interviewing Skills
- Workplace Safety
- Growth Mindset
- Digital Citizenship
- Living Healthy

Career Focus:

This class is a gateway to Career Technical programs that may allow the student the opportunity to work part-time during school hours as a Junior or Senior. Curriculum is focused on general skills that apply to any workplace setting or career choice.
